

BE AN EPIC

HERO!

IN THE LIFE OF A KID!

*THINKING ABOUT BEING A SPONSOR
FOR THE EAST PARK IMPACT CENTER?*

- ✦ According to school administrators and counselors, there are hundreds of "latch key" kids in East Clark County — young students who come home to an empty house every day after school. Statistics and research confirm that young people who spend a large amount of daily unsupervised time are most vulnerable to the temptation of making poor choices that can result in possible life-long consequences.
- ✦ As a result, a group of concerned parents, school administrators, community and church leaders have come together to begin the process of creating a space on the campus of East Park Church for an after school program called "EPIC" (East Park Impact Center).
- ✦ Please join us in supporting this vital opportunity to impact the lives of young people in East Clark County. EPIC is completely funded through the generous donation of space by East Park Church and through donations by community members and businesses like you! Our current projected opening date is January 10, 2011. Your generosity will help EPIC and the kids get off to a great start!
- ✦ Please take a few minutes to review our sponsorship opportunities and complete the included application.

THE GOAL FOR EPIC
is to provide a safe place for young students (grades 5-8), regardless of religious affiliation, to come to after school. Our commitment is to offer academic assistance and tutoring, extracurricular opportunities, positive mentoring and encouragement through trained staff and volunteers, ***FREE OF CHARGE.***
